# 4. FIRST AID MEASURES

# First Aid Measures

| First Aid Measures   |   |  |  |  |  |
|--|---|--|--|--|--|
| Eye Contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids.<br>Consult a physician. |  |  |  |  |
| Skin Contact   | Wash off immediately with soap and plenty of water removing all contaminated clothes and shoes.                         |  |  |  |  |
| Inhalation   | Move to fresh air. If not breathing, give artificial respiration.   |  |  |  |  |
| Ingestion  | Never give anything by mouth to an unconscious person. Rinse mouth.   |  |  |  |  |
| Most important symptoms and effect   | cts, both acute and delayed   |  |  |  |  |
| Most Important Symptoms/Effects  | No information available.   |  |  |  |  |
| Indication of any immediate medica   | l attention and special treatment needed  |  |  |  |  |
| Notes to Physician Treat symptomatically.  |   |  |  |  |  |
|  | 5. FIRE-FIGHTING MEASURES   |  |  |  |  |
| Suitable Extinguishing Media<br>Use extinguishing measures that are a                                | ppropriate to local circumstances and the surrounding environment.  |  |  |  |  |
| Unsuitable Extinguishing Media   | No information available.   |  |  |  |  |
| Specific Hazards Arising from the C<br>No information available.                                     | <u>hemical</u>  |  |  |  |  |
| Hazardous Combustion<br>Products   | Carbon oxides. Nitrogen oxides (NOx).   |  |  |  |  |
| Explosion Data<br>Sensitivity to Mechanical Impac<br>Sensitivity to Static Discharge                 | t None.<br>None.  |  |  |  |  |
| Protective Equipment and Precaution<br>As in any fire, wear self-contained breat<br>protective gear. | ons for Firefighters<br>athing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full                  |  |  |  |  |
|  | 6. ACCIDENTAL RELEASE MEASURES  |  |  |  |  |
| Personal precautions, protective eq  | uipment and emergency procedures  |  |  |  |  |

| Personal precautions, protective ec                  | uipment and emergency procedures   |  |  |
|--|--|--|--|
| Personal protection                                  | Ensure adequate ventilation, especially in confined areas.   |  |  |
| <b>Environmental Precautions</b>                     |  |  |  |
| Environmental Precautions                            | See Section 12 for additional Ecological information.  |  |  |
| Methods and material for containment and cleaning up |  |  |  |
| Methods for Containment                              | Prevent further leakage or spillage if safe to do so.  |  |  |
| Methods for Cleaning Up                              | Avoid dust formation. Pick up and transfer to properly labeled containers. Ventilate area and wash spill site after material pickup is complete. |  |  |

# 7. HANDLING AND STORAGE

# **Precautions for Safe Handling**

| landling  | Handle in accordance with go   | ood industrial hygiene and safety  | practice.                    |  |
|---|--|--|------------------------------|--|
| conditions for safe storage, inc                      | luding any incompatibilities   |  |                              |  |
| Storage   | Keep containers tightly closed   | d in a dry, cool and well-ventilate  | d place.                     |  |
| ncompatible Products                                  | Strong oxidizing agents.   |  |                              |  |
| 8.  | EXPOSURE CONTROLS/PI   | ERSONAL PROTECTION   |                              |  |
| control parameters                                    |  |  |                              |  |
| Exposure Guidelines                                   | This product does not contain established by the region spe                              | any hazardous materials with o cific regulatory bodies.  | ccupational exposure limits  |  |

# **10. STABILITY AND REACTIVITY**

# **Reactivity**

No data available

**Chemical Stability** Stable under recommended storage conditions. Possibility of Hazardous Reactions None under normal processing. **Conditions to Avoid** Extremes of temperature and direct sunlight. **Incompatible Materials** Strong oxidizing agents. Hazardous Decomposition Products Carbon oxides. Nitrogen oxides (NOx).

# **11. TOXICOLOGICAL INFORMATION**

## Information on likely routes of exposure

#### **Product Information**

| Chemical Name   | LD50 Oral                                    | LD50 Dermal |  |
|---|--|-------------|--|
| Ingestion   | There is no data available for this product. |             |  |
| Skin Contact There is no data available for this product. |  |             |  |
| Eye ContactThere is no data available for this product.   |  |             |  |
| Inhalation  | There is no data available for this product. |             |  |

| Reproductive Toxicity<br>STOT - single exposure       | No information available.<br>No information available.                              |      |     |      |

#### **STOT - repeated exposure** Aspiration hazard No information available. No information available.

#### Numerical measures of toxicity - Product Information

#### The following values are calculated based on chapter 3.1 of the GHS document .

# **12. ECOLOGICAL INFORMATION**

#### **Ecotoxicity**

#### 100% of the mixture consists of components(s) of unknown hazards to the aquatic environment

| Chemical Name   | Algae/aquatic plants | Toxicity to Fish | Crustacea |
|-----------------|----------------------|------------------|-----------|
| L-Aspartic acid | -                    | -                | -         |
|                 |                      |                  |           |

#### Persistence and Degradability

No information available.

#### **Bioaccumulation/Accumulation**

No information available.

| Chemical Name   | Partition coefficient |
|-----------------|-----------------------|
| L-Aspartic acid | -                     |
|                 |                       |

**Other Adverse Effects** 

No information available

# 13. DISPOSAL CONSIDERATIONS

#### Waste treatment methods

Waste Disposal Method Dispose of material in accordance with all federal, state, and local regulations.

**Contaminated Packaging** 

Do not re-use empty containers.

| Chemical Name   | RCRA - Halogenated<br>Organic Compounds | RCRA - P Series Wastes | RCRA - F Series Wastes | RCRA - K Series Wastes |
|-----------------|---|------------------------|------------------------|------------------------|
| L-Aspartic acid | -                                       | -                      | -                      | -                      |

| Chemical Name   | California Hazardous Waste Status |

#### U.S. Federal Regulations

### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

| Component       | SARA 313 - Threshold Values % |
|-----------------|-------------------------------|
| L-Aspartic acid | -                             |
|                 |                               |

#### SARA 311/312 Hazard Categories

| Acute Health Hazard               | No |
|-----------------------------------|----|
| Chronic Health Hazard             | No |
| Fire Hazard                       | No |
| Sudden Release of Pressure Hazard | No |
| Reactive Hazard                   | No |

#### Clean Water Act

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

| Chemical Name   | CWA - Reportable<br>Quantities | CWA - Toxic Pollutants | CWA - Priority Pollutants | CWA - Hazardous<br>Substances |
|-----------------|--------------------------------|------------------------|---------------------------|-------------------------------|
| L-Aspartic acid | -                              | -                      | -                         | -                             |

#### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

| Chemical Name   | Hazardous Substances RQs | Extremely Hazardous Substances<br>RQs | RQ |
